What Our Clients Are Saying

"This was my first home-buying experience and I am amazed at how simple, streamlined, and fun you made this for me! I felt taken care of and known from our very first meeting. I knew I wasn't just another number, but you catered our relationship based on my needs. Thanks for giving me the confidence and simplifying the process to make this huge jump for myself. This home-buying was all just a dream until we sat down with you and you made it happen! Thank you!"

—Rachael

"Luminate and their team are a loan Dream Team! They are trustworthy, make the process simple to understand, and over-communicated with us throughout all the steps. They worked hard to make our loan package look as appealing as possible to our seller, and even called the seller's agent to assure them that we were an ideal loan candidate. In the current market, we knew we'd have to act fast to get the home we wanted, the Luminate team was able to move quickly to ensure that would happen. Thank you!"

—Samuel

"Luminate Home Loans provided a heroic level of personal service and astonishing responsiveness during my long house hunt, a house hunt that entailed huge expenditures of their time due to a complex financial situation on my end. They never failed to be friendly and patient, and they were always willing to hold this first time home buyer's hand and gently guide me through the lending process. If all my fingers were thumbs, Luminate would receive 10 enthusiastic thumbs up from me."

—Erik K.

"Luminate was amazing to work with. They were very prompt and professional with communication. The process was smooth and much faster than other lenders I've worked with. I highly recommend working with Luminate in the future."

—Michael

"Luminate understands real estate investors and what they need. Not only have they helped me refinance multiple properties when traditional lenders would have said "no", they have saved me a ton of money doing so. When working with someone like Luminate they makes me feel like you are their only client. Speedy, efficient and very communicative throughout the whole process. I highly recommend Luminate to any investor looking for a home loan!"

—David M.

"Luminate is the best I have ever worked with and I have been in this business for a long time. Every step of the process was seamlessly handled. The knowledge of the business was evident from the get go. It made my life easier knowing that she is trusted to provide accurate info and follow through. Loved it..."

—Anthony

"I have heard horror stories about going through the mortgage process. Friends of ours have told us what a headache all of it can be. Companies lose paperwork, ask for the same things multiple times, are difficult to get ahold of, don't work quickly, etc. We were dreading starting this process. Luminate was the complete opposite of all that. We honestly couldn't have asked for a better or easier experience."

—Alyce P.
